

Young Researcher Overseas Visits Program for Vitalizing Brain
Circulation

Name: Noboru Ishikawa, Professor, Center for Southeast Asian Studies, Kyoto
University

Trip dates: Nanyang Technological University (Singapore) March 11-12, 2013

University Malaysia Sarawak (Malaysia) March 13-21, 2013

Destination: Nanyang Technological University (Singapore) and Universiti Malaysia Sarawak
(Malaysia)

Trip report:

At the Faculty of Social Science, Nanyang Technological University(Singapore), I presented a paper on the sustainability of tropical biomass society in Sarawak, Malaysia.

At the East Asian Institute of Universiti Malaysia Sarawak, I had appointments with the members of the institute for developing an academic platform for sustainable humanosphere science. I also had a field trip to Bintulu Division with the members of the institute.
