

To Poster Presenters

Preparation

Poster size: 88 cm (width) by 120 cm (length). The poster board is longer than 120 cm but it is recommend making the poster shorter than 120 cm so that it can be read with ease.

Pins: The pins to keep the poster on the board will be provided on the spot.

Presentation Schedule

Posters will be divided into two groups: one group for the first day exhibition (Monday); the other group for the second day exhibition (Tuesday); the assignment of the posters to one of the two days will soon be put up in the home page.

On each day, the poster session consists of the followings:

1. Set-up (9:00 – 9:30)
2. Introduction (short oral presentations of selected posters [described below]; 16:10 - 17:10 [Monday] or 14:20 - 15:20 [Tuesday])
3. Discussion (17:10 - 18:10 [Monday] or 15:20 - 16:20 [Tuesday])
4. Removal (18:10: - 18:40 [Monday] or 18:25 - 18:55 [Tuesday])

“If you wish to advertise your poster orally and if your request is approved, you shall have about 5 minutes to do so in the Introduction session immediately before the Discussion section when there is no oral presentation. Please indicate your intention to advertise your poster through e-mail addressed to cholera@cseas.kyoto-u.ac.jp by November 20. Result of selection of the short oral presenters will be notified individually through e-mail communication.
